4 national popular vote; to provide for the implementation of such compact; to provide for  
5 related matters; to repeal conflicting laws; and for other purposes.

6 BE IT ENACTED BY THE GENERAL ASSEMBLY OF GEORGIA:

7 **SECTION 1.**

8 Title 21 of the Official Code of Georgia Annotated, relating to elections, is amended by  
9 adding a new Chapter 6 to read as follows:

10 "CHAPTER 6

11 21-6-1.

12 The Agreement Among the States to Elect the President by National Popular Vote is  
13 enacted into law and entered into by this state with all other jurisdictions legally joining  
14 therein in the form substantially as follows:

15 AGREEMENT AMONG THE STATES TO ELECT THE PRESIDENT BY  
16 NATIONAL POPULAR VOTE

17 ARTICLE 1.

18 Membership.

19 Any State of the United States and the District of Columbia may become a member of this  
20 agreement by enacting this agreement.

## ARTICLE 2.

Right of the people in member states to vote for  
President and Vice President.

Each member state shall conduct a state-wide popular election for President and Vice  
President of the United States.

## ARTICLE 3.

Manner of appointing presidential electors in member states.

Prior to the time set by law for the meeting and voting by the presidential electors, the chief  
election official of each member state shall determine the number of votes for each  
presidential slate in each State of the United States and in the District of Columbia in which  
votes have been cast in a state-wide popular election and shall add such votes together to  
produce a 'national popular vote total' for each presidential slate.

The chief election official of each member state shall designate the presidential slate with  
the largest national popular vote total as the 'national popular vote winner.'

The presidential elector certifying official of each member state shall certify the  
appointment in that official's own state of the elector slate nominated in that state in  
association with the national popular vote winner.

At least six days before the day fixed by law for the meeting and voting by the  
presidential electors, each member state shall make a final determination of the number of  
popular votes cast in the state for each presidential slate and shall communicate an official  
statement of such determination within 24 hours to the chief election official of each other  
member state.

The chief election official of each member state shall treat as conclusive an official  
statement containing the number of popular votes in a state for each presidential slate made  
by the day established by federal law for making a state's final determination conclusive  
as to the counting of electoral votes by Congress.

In event of a tie for the national popular vote winner, the presidential elector certifying  
official of each member state shall certify the appointment of the elector slate nominated  
in association with the presidential slate receiving the largest number of popular votes  
within that official's own state.

If, for any reason, the number of presidential electors nominated in a member state in  
association with the national popular vote winner is less than or greater than that state's  
number of electoral votes, the presidential candidate on the presidential slate that has been  
designated as the national popular vote winner shall have the power to nominate the

1 presidential electors for that state and that state's presidential elector certifying official  
2 shall certify the appointment of such nominees. The chief election official of each member  
3 state shall immediately release to the public all vote counts or statement of votes as they  
4 are determined or obtained.

5 This article shall govern the appointment of presidential electors in each member state  
6 in any year in which this agreement is, on July 20, in effect in states cumulatively  
7 possessing a majority of the electoral votes.

#### 8 ARTICLE 4.

#### 9 Other provisions.

10 This agreement shall take effect when states cumulatively possessing a majority of the  
11 electoral votes have enacted this agreement in substantially the same form and the  
12 enactments by such states have taken effect in each state.

13 Any member state may withdraw from this agreement, except that a withdrawal occurring  
14 six months or less before the end of a president's term shall not become effective until a  
15 president or vice president shall have been qualified to serve the next term.

16 The chief executive of each member state shall promptly notify the chief executive of all  
17 other states of when this agreement has been enacted and has taken effect in that official's  
18 state, when the state has withdrawn from this agreement, and when this agreement takes  
19 effect generally.

20 This agreement shall terminate if the electoral college is abolished.

21 If any provision of this agreement is held invalid, the remaining provisions shall not be  
22 affected.
